

Texas Vote By Mail Survey

Toplines • 10.17.2020 - 10.20.2020

Performed by Citizen Data

The Texas Vote By Mail survey was conducted via 50/50 IVR and Online between October 17 - October 20 among a random sample of n=1000 likely voters in Texas. The survey has a margin of error of +/- 3.1 percentage points.

Q1: Vote History
Did you vote in the 2016 general election?
Sample Size: 971.06372

■ Yes ■ No ■ Was not eligible ■ Undecided/Don't Know

Value	Frequency	Percent
Yes	895	92.12%
No	49	5.07%
Was not eligible	20	2.1%
Undecided/Don't Know	7	0.7%
Total	971	100%

Q2: Voter Propensity

The general election will take place in November of this year. How likely are you to vote in the November general election?

Sample Size: 971.06372

Value	Frequency	Percent
Somewhat likely to vote	31	3.23%
Very likely to vote	517	53.21%
Already voted	422	43.47%
Undecided/Don't Know	1	0.09%
Total	971	100%

Q3: (Already Voted) Vote Method

How did you vote in the 2020 general election?

Sample Size: 971.06372

Value	Frequency	Percent
Voted early in-person at a polling place	351	83.07%
Mailed in my completed ballot	53	12.62%
Dropped off my completed ballot	18	4.31%
Unsure/ Don't remember	0	0%
Total	422	100%

Q4: Early In-Person Voting
How long did you wait in line to vote at your polling place?
Sample Size: 971.06372

Value	Frequency	Percent
10 minutes or less	157	44.67%
10 to 30 minutes	103	29.38%
30 minutes to 1 hour	58	16.65%
1 hour to 2 hours	22	6.4%
2 hours or more	10	2.9%
Total	351	100%

Q5: Vote Method

How do you plan to vote in the November general election?

Sample Size: 971.06372

■ Vote in-person at a polling place ■ Mail in my completed ballot ■ Drop off my completed ballot ■ Undecided/Don't Know

Value	Frequency	Percent
Vote in-person at a polling place	456	83.22%
Mail in my completed ballot	67	12.2%
Drop off my completed ballot	7	1.27%
Undecided/Don't Know	18	3.3%
Total	548	100%

Q6: Vote Plan

Do you plan to vote early before November 3rd or on November 3rd, Election Day?

Sample Size: 971.06372

■ Early before November 3rd
 ■ On November 3rd, Election Day
 ■ Undecided/Don't Know

Value	Frequency	Percent
Early before November 3rd	347	76.07%
On November 3rd, Election Day	81	17.81%
Undecided/Don't Know	28	6.12%
Total	456	100%

Q7: Vote by mail

In the past month, where have you seen or heard about your options to vote by mail?

Sample Size: 971.06372

■ Radio
 ■ TV
 ■ Online News
 ■ Online Ad
 ■ Newspaper or magazine
 ■ Mail
 ■ Facebook or other social media
 ■ Yard sign or billboard
 ■ Other
 ■ Unsure/None

Value	Frequency	Percent
Radio	150	10.61%
TV	318	22.45%
Online News	249	17.59%
Online Ad	138	9.76%
Newspaper or magazine	76	5.37%
Mail	139	9.85%
Facebook or other social media	211	14.88%
Yard sign or billboard	53	3.76%
Other	21	1.46%
Unsure/None	60	4.27%
Total Respondents 971.06372		

Q8: Vote by mail source

In the past month, from which of the following have you seen or heard information about how to vote by mail in your state or county?

Sample Size: 971.06372

■ Non-profit organization ■ Democratic or Republican party or campaign
■ State government source, such as the Secretary of State ■ Local government source, such as the Board of Elections
■ Other ■ Unsure

Value	Frequency	Percent
Non-profit organization	113	15.25%
Democratic or Republican party or campaign	235	31.78%
State government source, such as the Secretary of State	78	10.52%
Local government source, such as the Board of Elections	94	12.76%
Other	59	8%
Unsure	160	21.69%
Total Respondents 971.06372		

Q9: Vote by mail likelihood

In the last month, has what you’ve seen or heard about voting by mail made you more or less likely to vote by mail?

Sample Size: 971.06372

More likely to vote by ma... Less likely to vote by ma... No change Unsure

Value	Frequency	Percent
More likely to vote by mail	108	11.13%
Less likely to vote by mail	519	53.43%
No change	314	32.38%
Unsure	30	3.05%
Total	971	100%

Q10: Voting convenience

When it comes to your personal experience, would you say that voting in general is convenient or inconvenient?

Sample Size: 971.06372

Value	Frequency	Percent
Very convenient	520	53.58%
Somewhat convenient	194	19.97%
Neither convenient or inconvenient	123	12.69%
Somewhat inconvenient	85	8.79%
Very inconvenient	46	4.76%
Unsure	2	0.22%
Total	971	100%

Q11: Secure Ballot Tracking System

If given the option, would you use a secure ballot tracking system to confirm the status of your mail ballot?

Sample Size: 971.06372

Value	Frequency	Percent
I already have this option and use it	91	9.33%
I already have this option and don't use it	63	6.54%
I don't have this option but would use it	331	34.04%
I don't have this option and wouldn't use it	179	18.47%
Unsure	307	31.62%
Total	971	100%

Q12: Election Accuracy

How confident are you that election officials will count and report your vote accurately?

Sample Size: 971.06372

Very confident Somewhat confident Somewhat not confident Not confident at all Unsure

Value	Frequency	Percent
Very confident	412	42.38%
Somewhat confident	327	33.69%
Somewhat not confident	103	10.64%
Not confident at all	98	10.14%
Unsure	31	3.15%
Total	971	100%

Q13: Vote by mail safety
